# EIKEFJORD PASSENGERS CATAMARAN DSC 36

## KOMMENTARE DES MAKLERS

Air cushion high-speed pax catamaran, built in 1990 & maintained to RINA Class, offers a combination of speed, capacity & proven propulsion performance. Powered by twin Deutz engines delivering 3,200 HP & driving KAMEWA waterjets, she achieves a max speed of 38 knots with a comfortable cruising speed of 30 knots. The vessel accommodates up to 315 passengers plus 6 crew. Recently dry-docked in June 2026, with the main engines & KAMEWA waterjets overhauled,she is an attractive opportunity for operators seeking a high-capacity, high-speed vessel with significant recent maintenance investment.

*Sofia Ilia-Salvanou*

## TECHNISCHE DATEN

| | | | |
