TAYANA 55

KOMMENTARE DES MAKLERS

A truly great opportunity to own this superb, highly sort after, round the world long distance cruiser. ADI2 has had an extensive refit including new teak decks, rewired and new electric panels, new pumps, a complete Mastervolt system together with a superb Awlgrip topsides paint in dark blue. Below decks all soft furnishings and upholstery has been replaced. All stainless steel work on deck has been replaced including pushpit, pullpit and radar arch. The engine has done 249 hours since a full refurbishment. She is a great opportunity for someone.
