## KOMMENTARE DES MAKLERS

Magnificent unit of the prestigious Halberg Rassy shipyard, this unit is number 609 of the series and has been manufactured in 1988. It is in very good condition and very equipped. His former owner had prepared him for ocean navigation with the idea of making a long journey, but because of personal circumstances he was unable to carry out his project. It has a Volvo 2003T engine of 43 Cv with 1600 hours.
