1990 | 29,45 m | steel

### BROKER'S COMMENTS

"This Jongert 2900DS 'Scorpius' is majestically smooth, strong and reliable. She's has just completed an Arctic- and Antarctic circumnavigation. Her current owner bought her with us in 2010, overhauled her in 2011 and has sailed over 50,000 Nm since. Now she's for sale again including a set of new sails and lots of improvements and spare-parts. This is a truly advanced and pedigree yacht with a history of records and inspiring journeys. All systems on-board are new or overhauled. Steel, LOA 29.5m,
