### BROKER'S COMMENTS

"The yacht was delivered by Aicon shipyard in 2008. Is the last unit delivered by the shipyard, this magnificent small super-yacht has been kept in a truly excellent condition. The interior is all in light colour wood and the designers have taken full advantage of all spaces. With four very spacious staterooms, will be the perfect cruising yacht for this summer. The yacht has her own berth in Port Vauban( Antibes) and the berth can be part of the deal."
