

DE VRIES LENTSCH 28M

1982 | 28,00 m | steel

BROKER'S COMMENTS

"This canoe stern motor yacht designed by De Vries Lentsch has been built by the Italian shipyard Conavi. With a white hull in steel, this classic and elegant yacht is offering many different spaces onboard. This De Vries 28m is able to cross Atlantic with a range over 2.600 nm. With a superb full beam aft master cabin and 3 other guest cabins, this De Vries is comfortable and perfect for living onboard. In top condition after her refit in 2018, she must be seen." *Hans Visser*
