BROKER'S COMMENTS

"This elegant CRN SPA Ancona was built in 1974 and has 2 refit in 2016 and 2018. She is now fully equipped with new generation engines and machinery. With a cruising speed at 12 kn, she is perfect for spending time with family and friends. The open space in the flybridge with a bar, a large forward area covered with cushions and the open cockpit make this yacht perfect for enjoying life out at sea." *Alan Deasti*
