2004 | 21,40 m | carbon fibre

### BROKER'S COMMENTS

"This IMX-70 was built in 2004 in Denmark by the famous shipyard X-Yachts. Powerful and elegant, this cruising yacht was designed at the edge of technology. Her carbon hull and mast allow her to be very efficient at sea. She can accommodate up to 8 guests in 4 cabins. Must be seen." **Alan Deasti**
