BROKER'S COMMENTS

"This modern Motor Yacht was built in 2008, it stands out among similar yachts of this caliber due to the presence of five cabins in less than 100 feet. She is designed to be the perfect combination of performance and elegance. Interior design is luminous and spacious, perfect for cruising with friends and family. Also, the LED lights on the flybridge are a must-see once the sun has set !" *Alan Deasti*
