

JONGERT 20S

1983 | 19,90 m | steel

BROKER'S COMMENTS

"This Jongert 20S effortlessly marries cruising performance with an elegant functional interior. Dutch build, she was especially designed for round the world cruising and her 3 staterooms including a spacious master suite provide plenty of comfort for 7 guests even in high seas. This classic yacht performs extremely well both under sail and whilst motoring. Some works have to be considered on the steel hull and on the mizzen mast. " **Alan Deasti**
