

JEANNEAU SUN ODYSSEY 35

2003 | 10,75 m | grp

BROKER'S COMMENTS

"Introduced in 2003, the new Sun Odyssey 35 swept the international markets. It was not easy to develop a new model in the popular 34-35 foot range, but Jeanneau has succeeded. Ample space inside, easy to handle, well balanced elegant design and fast to boot. This 35 model is in perfect condition and comes with a popular 3-cabin layout, good equipment list (heater/autopilot/gps/etc and a better than standard set of sails."
