2004 | 11,88 m | grp

BROKER'S COMMENTS

"Etap have been very innovative with their designs from day-one. Most predominant feature for their range is the "hull-in-hull" construction. It adds strength to the overall construction, makes the hull unsinkable and provides for excellent insulation (both sound and thermal). The 39S was their flagship and has all the key features of a modern family cruising yacht."
