BROKER'S COMMENTS

"Spacious fly bridge motor yacht with good accommodations for longer stays onboard. Galley and salon on one level with ample light and panoramic view of the surroundings. Large owners cabin aft (with space to install an extra shower and toilet). Two guest cabins forward for family and/or friends. On deck ample space on the aft deck and flybridge. Steel hull professionally built, finishing interior etc done by previous and current owner. Good value for money if you are looking for a spacious motor
