BROKER'S COMMENTS

"The Olivier van Meer 78, "Spirit of Venice" is an exceptional example of close cooperation between owner and designer. The Olivier van Meer 78, can be sailed by the owner single handed from within the cockpit, offering optimal protection against the elements. In addition to the practical requirements, she boasts a classic and playful, interior with lots of wood on the deck, as much bronze and brass as possible, and a keen eye for detail. Anything but standard, the result is a uniquely personal yacht."
