BROKER'S COMMENTS

"Viknes, we're passionate about boats" and it shows. These Scandinavian boats have proven themselves on many occasions to be safe, reliable and very comfortable. If you want to cruise Europe and further, the Viknes 1030 is the motor yacht for you. The decksalon/pilothouse has panoramic view and two separate cabins and stowage space to match, she is ideal for longer stays onboard. Cruising with the Yanmar diesel and both bow- and sternthruster is economical and comfortable."
