### BROKER'S COMMENTS

"Very nice accommodations below decks ensuring a high degree of comfort, combined with performance under sail and Swedish built craftsmanship, make this Scanner 391 an excellent opportunity. With her fractional-rig and self tacking jib, she is easily handled by a small crew. Her shallow keel gives more anchor and inland cruising opportunities."Green Flash" comes from her first owner. She will be auctioned on March 7 in cooperation with Schipveiling-BVA Auctions. For further details
