BROKER'S COMMENTS

"The ultimate Dutch built classic cruiser from Victoire and Dick Koopmans. Appreciated by many and a timeless design with comparable sea keeping characteristics. Sure there are faster yachts but you will appreciate the safety and comfort this 1044 model will give you. Where many modern yachts will give up in a swell and to much wind, the Victoire will take that all effortlessly in her stride. Built for a lifetime. She served her owners well and surely she will bring a smile on your face once you set her sails."
