### BROKER'S COMMENTS

"Shaft driven sport cruisers below 45 feet are becoming rarer, but with this Fairline Targa 43 you will have one of the best. With almost 300 boats produced this was one of Fairline's best selling models. And with with reason because her age-defying looks, well thought out layout, great performance and the renowned Fairline quality of workmanship and finish, make the Targa 43 the quintessential sports cruiser. This example is very well maintained by her current owner and her 480 hp engines
