

DUTCH CUSTOM BUILT TRAWLER 24.50

1953 | 24,50 m | steel

BROKER'S COMMENTS

"This Dutch former fishing vessel was stripped down to the bare hull and completely custom rebuilt and repainted from 2001 to 2012 so it could be used as a live aboard vessel. There is plenty of room in the large saloon, galley and pilothouse. She sleeps 6 in 3 cabins. The bridge deck is enormous and the engine room is a sight to behold. "Marco" comes with a recent CVO and is ready to welcome a new live-aboard family. Please contact us for more details." *Nick Lanting*
