

DUTCH STEEL TRAWLER

1992 | 14,99 m | steel

BROKER'S COMMENTS

"This sturdy trawler built in the Netherlands was completely rebuilt between 2010 and 2015 by its current owner. Interior, technology, motorization, navigation equipment, hull deck and superstructure, everything has been completely renewed and treated. Much attention has been paid to seaworthiness, sailing characteristics and safety. "Triton" is very suitable for large journeys by sea, rivers and canals. She is ready for new adventures with the next owner." **Nick Lanting**
