### BROKER'S COMMENTS

"J-105 Comfort, Ease of Handling, Stability, Speed , the J-105 features the popular carbon fiber retractable bowsprit and asymmetric spinnaker system. She is designed with a long waterline, and generous sailplan relaxed cruising or the racing. She is little used, kept in good condition and very well equipped example, ready to go for the coming winterseries and/or an early start of your cruising season in 2007."
