BROKER'S COMMENTS

"Charming and complete motorsailer with lots of possibilities for in and offshore cruising. Fine for long sailing or weekend trips with the family. The Mascot has a nice wooden interior, large cockpit and very important an enclosed helm position. So even when the weather is though, you can sail with the heating on. In the pilothouse you'll also find the galley and entrance to the spacious saloon. From the cockpit you have access to the aft cabin with room for 2 people. This stable and comfortable sailor
