1987 | 11,20 m | grp

### BROKER'S COMMENTS

"The Breehorn 37 is a typical Koopmans design: beautiful, timeless and fast. These characteristics make Koopmans yachts highly desirable classics amongst current generation sailing yachts. Because of the hull shape and choice of materials she is able to cruise comfortably and safely in all weather conditions. Although her semi-heavy displacement, she can be surprisingly fast and agile to sail. "
