1977 | 11,55 m | grp

BROKER'S COMMENTS

"The Trintella 38 is the professional result of combined efforts of designer Van der Stadt and Anne Wever, the man behind the famous Trintella range. As one of the earlier centre cockpit designs, Anne Wever set the benchmark for other yards like Hallberg Rassy and Contest. Very sturdy built, safe and seaworthy with an excellent ballast to weight ratio. Ample amounts of space on, and below decks. Two well sized cabins for owner and family/friends with good stowage and headroom.
