### BROKER'S COMMENTS

"This HR 34 scan is a very well maintained yacht she has a shallow draft keel and is easy to steer and well balanced. The aft cockpit is large and well protected from the sea, there is a screen plotter at the pedestal as well on the chart table. The rig is simple and sturdy. The interior volume is very well distributed with good headroom and elbow space. All in all a very nice yacht that will remain attractive for many years."
