BROKER'S COMMENTS

"'Zwerver' was originally built at the Aluboot yard in Hindeloopen after a design of the Dutch well known designer Dick Koopmans Sr. "Zwerver" is kept in perfect condition due to her complete refit and overhaul in 2004, and her continuous upgrading during recent years. Excellent navigational equipment, very seaworthy, and her shallow draft makes her ideal for cruising shallow coastal waters or the high seas around the world. "
