

TRINTELLA 50A

1996 | 15,20 m | aluminium

BROKER'S COMMENTS

"Constructed for cruising in comfort with a small crew. Easy on the helm, sailing well on all points, an excellent ocean-going yacht that is fast enough to win regattas. The hull lines are very balanced without excessive beam, and in combination with the relatively long waterline the boat tracks very well. "

SPECIFICATIONS

Dimensions	15,20 x 4,35 x 2,20 (m)
Material	aluminium
Engine(s)	1 x Yanmar 4JH2 diesel
