

ZEILLOGGER 53 FT.

2000 | 16,30 m | woodcore

BROKER'S COMMENTS

"The keel of this sailing Logger is built in 2000 and she is launched in 2013. The superstructure of this logger is made of wood epoxy and she has a beautiful interior which was built by one single craftsmen. She is equipped with a 118 HP DAF diesel engine of 2013 (overhauled) and a new hydraulic gearbox, bowthruster, 3 cabins and headroom of 2 metres. She has new antifouling, this boat is hardly used. To make her complete she needs an after cabin + toilet installed, complete rigging and sails,
