BROKER'S COMMENTS

"Designed by Georg Nissen and build by Sunbeam Austria, this hardly used centre cockpit cruising sailing yacht has a lot to go for; good sail performance and sea keeping, comfortable, safe and build quality. With her length of almost 16 meters the interior space is more than enough for longer comfortable stays on board. " Isabel two " has always been professionally maintained and is very well equipped to sail te seven seas in al the comfort as she is equipped with electrical winches and bow-thruster yould
