BROKER'S COMMENTS

"Very nice and well maintained Southernly 135, built under CE certification designation category A, with swing keel that makes its draft variable from 0.84 / 2.96 m. Thanks to her keel she sails just as easily on outside and inland waterways and can easily be beached. This will considerably increase your sailing area! This Southernly 135 is equipped with the necessary comfort, making it ideal not only for the weekend, but also for a longer trip. This beautiful yacht can be viewed 7 days a week at our office in
