

BULTJER KOTTER

1956 | 15,00 m | wood

BROKER'S COMMENTS

"Bultjer Kotter "Baukje", a classic oak wooden yacht. Built in 1956 by Bultjerin Ditzum - Germany as a fishing cutter, later rebuild as a sturdy seaworthysailing yacht / motor sailor. Thanks to her central heating she's suitable tolive on board. Lots of investments made like as in a new set of sails, bowthruster, engine overhaul etc.. She's in a very good condition and ready for new sailing adventures!" **Reinier van der Wolf**
