BROKER'S COMMENTS

"The Finya 75 ARIADNE" is a very nice looking, capable performance pilothouse sailing yacht. She's a proven trans Atlantic veteran with the capability to go just about anywhere be it short handedly or with a full complement of guests. A recent refit under her present ownership saw that most major systems on board have been replaced, rebuilt, or improved. The Finya 75 "ARIADNE" has outstanding sailing performance and a host of all features you may wish for. It's hard to find a compromise on this
