

VAN DE STADT 30 VITA

2000 | 9,20 m | wood epoxy

BROKER'S COMMENTS

"The VITA is a very spacious and fast 30 footer. Two couples can sleep in separate cabins. The toilet is particularly large. Also the galley has the space that is only encountered in larger yachts. The proven top-rigged is uncomplicated. A crew of two is sufficient to handle the VITA without problem. And with four aboard you still don't get in each others way. This superbly manoeuvrable and as new yacht is ready for her new owner. "
