BROKER'S COMMENTS

"The Sweden Yachts 38 is a pure sailing yacht with modern, racy lines; yet she has a classical beauty which will last through the years. The mast and rig are well dimensioned to carry the large sail area; this, combined with the modern hull lines, gives the yacht an amazing turn of speed, even in the lightest wind. The Sweden 38 has a very favourable IOR (internation offshore rating) and she is extremely competitive at all levels of racing."
