

HALLBERG RASSY 352 SCAND.

1988 | 10,54 m | grp

BROKER'S COMMENTS

"Introduced in 1979, the HR 352 underwent various upgrades through the years. Around 1986 the skylight in the saloon was increased in size to give more light into the saloon. The locker doors of the saloon became louvered as on the larger Hallberg-Rassy sisters. The hull raised with some centimeters. "Que Vida" is build in 1988 with the tall rig, easily recognized on the double spreaders."
