BROKER'S COMMENTS

"The No Limit 1550 "Seven Seas"; seaworthy, reliable, solid, comfortable and safe! A sturdy, recognizable yacht that make their owners stand out and reflect their personality. 'Ocean A' requirements on paper, but vessels that can actually sail under these conditions. Twin Volvo Penta D9 of 575 hp each, electric bow thruster, Kabola central heating, Airco, generator etc. The yacht was used for long trips for five years. Stored inside."
