

GILLISSEN KOTTER 1360

1987 | 13,50 m | steel

BROKER'S COMMENTS

""On The Move"" is a fine example of Dutch Craftsmanship. This Gillissen Kotter 1360 is built at De Scheepsbouwers shipyard with the use of Lloyds certified steel. She has a round stern and s-bilged hull which makes her a sturdy and strong. The yacht is equipped with two 105 HP Ford diesel engines, outside and inside steering position, a spacious bathroom and saloon + a dinette which can be converted into 2 berths. With a minimum headway of 2,70 m. you can even sail the inland waterways to
