

COLIN ARCHER

1994 | 18,00 m | steel

DE VALK
YACHT BROKERS

BROKER'S COMMENTS

"Sturdy built "all weather type" sailingyacht with Colin Archer lines and styling. Built by Bronsveen the hul has flange welded seams which makes it very strong. The yacht is well insulated and equipped for longer stays onboard. With her decksalon-pilothouse the yacht can also be used in the colder climates as well as cruising the more warmer waters. "
