

WAARSCHIP 1050

1993 | 10,50 m | wood epoxy

BROKER'S COMMENTS

"Waarschip 1050 completely out of mahogany plywood and wharf built. Because of the epoxy layer, characterized by high resistance against moisture influenc, the ship is very maintenance-free. In combination with epoxy it delivers a strong and rigid ship. This The first and only owner has invested a lot time and money to keep her in good condition throughout; new Van de Neut mast, complete net set of sails (never used), hull has been painted, new upholstery etc."
