

X 362

1995 | 11,00 m | grp

BROKER'S COMMENTS

"One of the most cruising oriented X-Yachts in the range - a classic with a well proven interior layout, built to X-Yachts usual high standards and featuring a steel bottom girder system taking mast and keel loads. Developed as a real performance cruiser, the X-362 can be sailed leisurely with family and also suitable for fun racing around the buoys. "
