BROKER'S COMMENTS

"Built by one of the reknowned sloop builders in the north of Holland, this is an exceptional motorsailer. Her hull is clinker mahogany built on oak frames. She has been fully restored in 1995/96 by a professional yard. This restoration included many items and parts of the yacht and her equipment. She has nice accommodations, good headroom and a large cockpit. Furthermore she is a charming classic design by Kraaijer/Bruynzeel. "
