BROKER'S COMMENTS

"The Hallberg Rassy 312 is a very popular model, built during 1979 - 1993. Totally 690 boats were built. 485 units were built of the MK I version. Until 1986 the HR 312 MK I was built, with the windows in the blue stripe in the hull. Constructed with high grade materials. Her warm and cosy interior provides lots of comfort. The owner has kept her in good condition during the years. Still very much in demand. "
