

SIGMA 38

1989 | 11,58 m | grp

BROKER'S COMMENTS

"A well known performer with lots of stowage space and comfort, suitable for family cruising and club racing. Larger sister of the famous Sigma 33OOD. A good opportunity to obtain a fast and well built passage maker. "Lekker Kopje" was built by Marine Projects of Plymouth to a David Thomas design. Her level of construction has resulted in the current reputation of the Sigma 38 as being extremely seaworthy."

SPECIFICATIONS
