### BROKER'S COMMENTS

"Upon introduction of the new 39footer in 1993, the well known Zaadnoordijk yard quickly found out that the market also requested a 36 and 34 footer. All lot of the successfull design features of the new 36, also found their place in the 34 model. As to be expected by designer Frans Maas, this yacht very comfortable, spacious, safe and realiable for captain and crew. A nice centre cockpit yacht with lots of extra's and in well kept condition. With her full furling sails, a yacht very easy to handle
