BROKER'S COMMENTS

" The De Antonio Yachts D28 follows the philosophy of its successful predecessors, the D23 and D33 models, gathering the best features of each and completing the range of the brand. It is a 7.99 meters length motor boat, with the possibility of adding a fifty centimeters stern bathing platform. The exterior design is distinguished by an imposing center console in black finishes that gives it a sporty and elegant style in the wheelhouse, in addition, to having a complete bathroom." **Paul**
