

WEVER 52

1998 | 16,10 m | steel

BROKER'S COMMENTS

"The Wever 52 is a very stable, comfortable cruiser, designed by Piet Behage. The Wever 52 is quite spacious inside and sails fast with its light steering and good response to the rudder. The 'Belle' is equipped for living aboard and has a more open interior than most ships of this model."

SPECIFICATIONS

Dimensions	16,10 x 4,80 x 2,00 (m)
Material	steel
