BROKER'S COMMENTS

""Gretige Henriette" is a traditional sailing yacht and built in 1932 - later rebuild as a yacht. She has a beautiful line and is very well maintained. Recent navigation equipment and they placed a new Yanmar diesel engine in 1997. Large accommodation with sleeping capacity in two cabins with total six berths. Ideal for family cruising with her large cockpit, but can easily be sailed by a two persons crew as well."
