

BENETEAU FIRST 305

1985 | 9,80 m | grp

BROKER'S COMMENTS

"The First 305 is a redesign of the successfully 30E; the designers changed the hull lines aft, increased appreciably the freeboard, redesigned internal spaces and a few centimetres were added to the waterline length and headroom: this fast and lively sailor is yet incredibly easy to handle, thanks to her well thought-out deck plan and offers more spacious living quarters than you might expect under 10 metres. Her two separate cabins offer already the privacy you want on a nowadays-yacht. "
