2000 | 9,60 m | steel

BROKER'S COMMENTS

"Dutch steel motor yacht, launched in 2000, a cosy motor yacht. "Dolfijn" has a bow- and heck thrusters, so she is very easy to manoeuvre and perfect for cruising the European inland waters. She has only ca. 420 hours on the main engine. Lots of extra's perfect family cruiser, suitable for the French Canals . Due healthy problems she has to be sold, offers requested."
