### BROKER'S COMMENTS

"Dehler is not only renowned for its regatta success but also for its unflawed quality. This particular yacht is especially interesting because of its high specification carefully chosen by her demanding owner. "Valparaiso" has only 35 engine hours! A great opportunity to acquire a new boat without having to wait for her. The Dehler 41 cruising performance is the result of over 30 years experience in yacht building, featuring details that make this yacht as fast as she is also safe and easy to handle. "
